International Medical Journal

Journal of Surgery and Medicine

e-ISSN 2602-2079 | Period Tri-annual | Founded: 2017 | Publisher Fatih Başak |

Journal of Surgery and Medicine (JOSAM) is an open access, international scientific journal with independent, unbiased, and double-blind review under international guidelines. The journal is published three times in a year, and accepts publications with mandatory English language. JOSAM publishes papers with the highest scientific and clinical value in all medical fields, i.e., "Research article", "Reviews" and "Case reports".

JOSAM, which defines itself as a quality standard for completing the editorial and referee evaluation steps after article submissions in an average of four weeks, is waiting for you to send your valuable studies to submit for JOSAM.

Processing and publication in the journal are free of charge. Let us help you for publishing a paper to be part of science with JOSAM.
