CRITERIA FOR AUTHORSHIP

1. “Substantial contributions to the conception or design of the work”,
2. “The acquisition of data for the work”,
3. “The analysis of data for the work (statistical analysis)”,
4. “Interpretation of data for the work”,
5. “Drafting the work”,
6. “Revising the work (manuscript) critically for IMPORTANT intellectual content”,
7. “Final approval of the version to be published”,
8. “Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved” (Note: Indicates that EACH author with the name on the manuscript should take responsibility for EACH section of the manuscript).

Studies are published both in English and Turkish

Therefore, extended English summaries added to the beginning of Turkish articles are needed for Turkish authors.
